

# FLEX COLLEGE PREP PRESENTS A FREE EDUCATIONAL SEMINAR

## How to Prepare Students for Competitive Standardized Tests

With the summer season approaching, students and families need to strategically plan to maximize the value of the summer months. Determine which standardized tests are best for your student, which test dates to consider, and when to begin preparation. Develop a testing timeline and schedule a complimentary follow-up consultation to discuss your child's specific needs!

Reserve your spot in our free seminar for information about the role standardized testing plays amongst other elements of your academic profile.
