6:30 p.m. PDT
FLEX Cupertino

Saturday, October 9th
10 a.m. PDT
FLEX Irvine

6-9th Graders: Develop Writing Skills for Life

In today's world, writing skills are becoming more and more important. Even for science majors, the new structure of AP and other exams requires students to communicate their thoughts effectively through writing. Attend this seminar to learn how students can improve their writing skills and utilize them for success beyond the classroom.

Saturday, October 30th
