Changing Landscape of Test Prep and Its Impact - SAT and APs

The role of standardized testing has shifted greatly over the last few years and students need to adjust accordingly. With the advent of test-optional policies in response to decreased testing availability during COVID-19, along with the elimination of the SAT Subject Tests, how should students think about the SAT and AP exams?

Come hear from the experts about how to maximize your standardized testing strategy in college admissions.

Dates Below:

**Saturday,
September 18th
10 a.m. PDT
VIRTUAL
Webinar**

Meeting details
will be provided
upon registration.

**Saturday,
September 25th
12 p.m. PDT
FLEX Irvine
(In-Person)**

**Thursday,
September 30th
6:30 p.m. PDT
FLEX Cupertino
(In-Person)**

Space is limited! Register for our webinars and seminars at:
