

2021 Summer - SAT Math (August Target)

Instructor: Philip Vuong

June 12 - August 21 | 9-11 am

Course Description

FLEX Test Prep courses for the SAT are designed to maximize students' scores in the most efficient way possible. Students are coached by expert instructors, all of whom are top scorers in the subject areas that they teach. In addition, instructors and curriculum writers routinely sit in for standardized exams, continually updating and refining strategies based on real-time information from the test-makers.

Class overview

- Sessions will meet remotely via Google Meets
- Class materials will be accessible via Google Classroom (google account required)
- Homework will be provided by FLEX staff according to the sessions taught
