ACE Preview Essay Workshop: UC Insight Question

With FLEX's Application & College Essay (ACE) Program, students are always prepared for the latest changes in college admissions requirements including the growing importance of the college essay. A great college essay highlights a student's personal attributes, how they are unique from their peers, and the kind of impact they can contribute in their community.

In this workshop, students work closely with their FLEX essay specialist to develop their own topics and to ensure that their unique voices are reflected in their UC or Common Application.
