Why A+ Students Don't Get 5s On AP Exams

In this webinar, you'll hear from experienced AP instructors on some of the broader changes to how AP exams ask questions and award points. You'll learn how these changes have made it more difficult for even high-achieving students to consistently do well on their AP exams. And, you'll hear about FLEX AP Intensive classes designed to help students maximize their scores, which are increasingly important data points in the changing landscape of college admissions.
