PREPARE FOR USABO

- FLEX Biology Olympiad Prep is designed to prepare students for the USA Biology Olympiad (USABO), the premiere Biology competition for high school students.
- From June to February, students will learn the fundamental concepts of biology, which will not only prepare them for USABO, but also provide valuable preparation for the Biology SAT Subject Test & the AP Biology Exam.

BIO OLYMPIAD INFORMATION SEMINAR

Dates + Locations:

FLEX CUPERTINO //
